TectoSystem Launch Edition

Now available with the new TectoCore refrigeration unit made by Viessmann.

The new version of the TectoSystem Launch Edition comes as a bundle featuring the following standard equipment: a light switch with indicator light, a thermometer, an LED door frame light, a magnetic sealing frame, and a pressure equalisation valve.*

The cold room bundle for the specialist trade, featuring the TectoCore refrigeration unit and a shelving system. Proven Tecto quality, Made in Germany.

Key Benefits

+ Optimal room sizes in two different heights, with wall thicknesses of 80 mm and 100 mm.
+ Temperature range from 0 °C to +15 °C (chiller) and -25 °C to -5 °C (freezer).
+ SmartProtec® antimicrobial powder coating to effectively prevent microbial growth.
+ Fully hygienic stainless steel floor, slip resistance rating R11 (1600 N/wheel), with underlapping floor joints.
+ Package price includes a RegaAlmo shelving unit with 3 solid shelf inserts.
+ Utilises the natural refrigerant R290.
+ The TectoCell and TectoCore set components are manufactured in Germany.

* For a 100 mm wall thickness: additionally includes a door frame heater, a heated pressure equalisation valve, and 30 mm underfloor ventilation panels.
